In an effort to update our email distribution listing, please forward this letter to anyone you know who has been having problems receiving the club's membership renewal or banquet information. Also if you know of anyone who recently retired from Navistar or past coworkers who have never joined, please forward this letter on to them. We are always looking to increase our membership.

Club Volunteers are always welcomed. Believe me the work is not that hard and only requires effort twice a year at banquet time. Please let us know if you are interested. Also if you have any suggestions for Banquet entertainment, please let us know.

Sincerely,
John Moery, NICARC Membership Chair
