Dear NICARC Member,

Before you spend all your hard earned money on holiday presents, it's that happy time of year again for us to collect your dues for next year. The form below is the invoice for your **\$15.00** membership dues for **2016**.

Your membership dues cover the Club's expenses for luncheon program costs, costs for speakers or holiday entertainment, and other club operating expenses.

If you received this email without problem, you need to do nothing but send in your dues. If not and you received a hard paper copy, please complete the bottom and if you have an email address please let us know, its saves time and money on mailing costs and postage.

We would like to know how many of you have been able to look at the NICARC website at www.navistarretiree.org. If you have visited it recently, please mark the below.

Thank you for your support. Please contact us if you have questions.

Sincerely, NICARC Board (NICARCBoard@gmail.com)
